MEMORANDUM FOR: Director of Logistics

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Support to the CIA Computer Study Panel

1. Personnel in your Office provided commendable support to the CIA Computer Study Panel. This support was a key element in the Panel's successful completion of its study effort.

2. The Panel required, throughout its four-month tenure, extensive information on very short notice. In particular, [redacted] of Headquarters Operations, Maintenance, and Engineering, and [redacted] (now in the Office of Communications), [redacted] of the New Building Project Office were very responsive to the Panel's many calls for information.
